

CLIMBING BANDS PROCESS

Climbing bands must be purchased from reception prior to entering the climbing wall. Please have your membership card ready for entry.

When you are issued a climbing band your band will be attached around your wrist or equipment loop on their harness before they leave reception.

There are three colours of bands

Red band with Reg printed on it are for Sportspark registered climbers 18 or above

Purple band with Guest printed on it for guest climbers over 16 signed in by a registered climber

Yellow band with Jnr printed on it for any climber under 18

This to ensure only those on the wall are permitted to be there, are only doing what they should and are safe. If you are found to be using the wall without a band you will be asked to leave the wall and your usage may be suspended.

The 3 different groups are permitted to do different things and below is an overview of the 3 types of unsupervised (non-instructor led) climbing at Sportspark

Registered

18 plus climber that have passed an induction and are permitted to use the wall unsupervised and sign in one guest (2 of their own children)

Junior

16 + 17 year olds may climb unsupervised after completing the induction with an internal instructor. Their parent / guardian must sign the registration form. Their registration is restricted and does not allow them to do the following:-

- Lead climb
- Sign in a guest

Guest climbers

At no point must the guest climber be left unsupervised by the registered climber that has signed them in. At no point will the registered climber leave the ground leaving the guest climber unsupervised.

Sportspark use the following as their definition of supervision "the act of watching a person or activity and making certain that everything is done correctly and safely".

All three groups must adhere to the climbing wall terms and conditions at all times.

Climbing prices are listed in our current price list under "climbing wall" and usage is charged in 90 minute blocks. Non-members pay the Pay and Play price plus a £10 cash deposit. Members pay the peak or off-peak members/concession fee (depending on the time of day that they visit).
