ABOUT ME

As a Personal Trainer and Masseuses, I do not believe one size fits for all or there is a limit in development. Just like you I too am on a journey, nothing thrills me more than working with people to attain their goals. I am here to help reduce body fat, improve nutrition, fitness and strength enhancement for recreational or sports competition.

I use health and fitness as a tool and an opportunity to share my skills and knowledge that will provide lifelong results and not just a quick fix. I am here to promote and maintain physical, mental and spiritual happiness, something that I lacked extremely once upon a time.

So why not, be awesome, feel awesome and look awesome!

Shani Brooks

ABOUT ME

As a medical student, I have had to learn to manage my time and balance work, exercise, healthy diet and having a social life. It is difficult and it started poorly, but I got there. As a level 3 Personal Trainer I want to dedicate my time towards helping people with busy schedules fit gym into their timetable. Everyone is different and I am able to tailor the sessions to each individual. I used to be anxious about going to the gym and now I love it. I want to help other people learn to love the gym too.

SPECIALITY AREAS

- Weight loss
- Body confidence
- Lower body growth
- Building strength and size

Conni Mekkiou

ABOUT ME

I started in the fitness industry in 2016 as a Les Mills group exercise instructor, and went on to personal training to be able to help people on an individual basis, too. I know how challenging it can be to create workouts that are effective and fit in with your group fitness classes, and I understand the gym can be a daunting place if you're not sure where to start. Whether you come from group exercise or not, if you need guidance with your training, I'm here to help! I have a compassionate approach, and believe in keeping fitness simple but effective. Whatever your goal is, my aim is to get you moving in a way that you enjoy, that benefits you, and that fits in with your life instead of taking over it.

SPECIALITY AREAS

- Combining group exercise with gym training
- Stretching/flexibility
- Les Mills BODYCOMBAT, BODYBALANCE & BODYPUMP
- Level 3 Personal Trainer & Level 2 Exercise to Music
