

SPORTSPARK CLASS DESCRIPTIONS

Mind & Body Classes

BodyBalance

A Les Mills yoga-based class with elements of Tai Chi and Pilates. Builds flexibility and strength and leaves you feeling centred and calmed.

Pilates & Fitness Pilates

Developed to offer a conditioning and toning technique that targets the deep muscles supporting the spine and major joints. Fitness Pilates is a more vigorous version that also increases core strength, flexibility and endurance.

Dynamic Yoga

A mix of traditional and oriental yoga, including dynamic flows, breathing practises and meditation to invigorate and balance the entire system.

Vinyasa Flow Yoga

Using breath, body and continual movements, you will flow through a sequence of postures, cultivating self-awareness, self-enquiry, discipline and grace. The practise of vinyasa yoga is cardiovascular and can increase muscle strength, endurance and flexibility.

Restorative Yoga

A mix of restorative, yin and yoga nidra (deep yoga sleep) to help counteract a hectic lifestyle and ease you into a relaxing evening.

Yoga

In this class we focus on the postures, including some dynamic poses. Release tension and stress, increase energy levels and learn to relax.

Cycle Classes

Indoor Cycle

Using ICG6 bikes that feature a cycling computer to track your fitness stats throughout your workout there is no more guesswork - just calories burned and constant progression.

Coach by Colour - Indoor Cycle class

Using ICG6 bikes monitor your training zones through a simple colour index so it's easy to follow the instructor and your workout at your own level while enjoying the group energy and music.

Aqua Classes

Swimfit

If you're looking for an alternative way to work out in the pool, then Swimfit is for you. This swimming fitness workout is instructor led and will help you achieve your personal goals - whether you want to improve technique, tone-up, lose weight or become fitter and stronger.
