Climbing Club / Academy Social Climb							

- All climbers wishing to use the wall during 'Open Climb' sessions must either be a registered climber, that has completed a climbing wall induction, or be a guest and under the supervision of that individual.
- Junior Climbing Club is available to any junior climber (under 16) who has completed our beginner and improver climbing courses.
- Climbing Academy sessions are for experienced climbers only.
- FILL sessions are part of our community sport programme and available to anyone over the age of 50.

Where the wall is open for open climbing you can come and climb at any time within this session. However should we reach capacity during any session we will implement a maximum of 2 hours climbing rule.

We can also not guarantee that 2 hours of climbing will be achieved.
